⑥ Save your favorite apps to the “Favorites” section for quicker access.

See the steps for doing this at the end of this slide show.

The screenshot displays the REALCOMP dashboard interface. At the top, there is a navigation bar with tabs for Home, Audience, Communication Center, and Dashboard Reporting. A search bar labeled 'Search Apps' is located on the right side of the navigation bar. Below the navigation bar, there is a large dark blue banner with the REALCOMP logo and a personalized greeting: 'Good afternoon FRAN!' followed by weather information: 'It's 34°F in Garden City, and feels like 26°F'. Below the banner, there are two main sections of application tiles. The first section is titled 'REALCOMP APPLICATIONS' and contains 16 tiles arranged in two rows. The second section is titled 'Favorites' and is currently empty, with a large illustration of a smartphone and a person, and the text 'Add your favorites' at the bottom. A red arrow points from the 'Favorites' section towards the text on the right side of the slide.

8 Another new panel has been added which features Realcomp's very own Land Contract and Mortgage Calculator.

This enables agents to quickly calculate payments, balances, etc. for any of the 5 available calculators. Agents can also click the Full Calculator button to access more details.

9 While keeping the application icons similar to the old ones, we've attempted to make everything on the dashboard more eye-appealing.

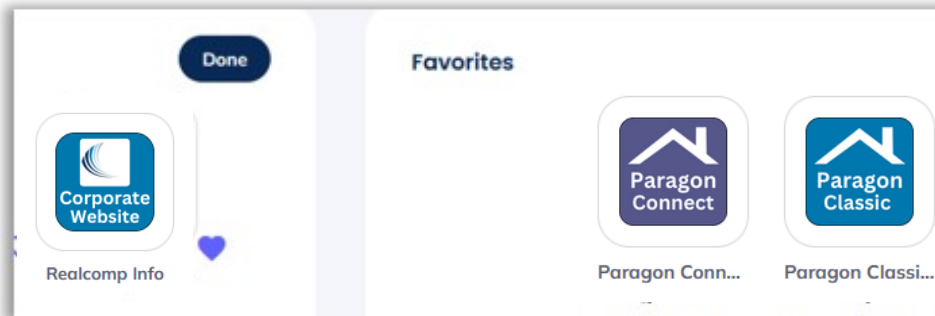

How to Add to Your New Favorites Section

Here is a pro tip on how to add tiles to the Favorites panel. Until users do this, the panel will be empty.

1. When you want to mark an icon as a Favorite, click the 3 dots at the top right corner of the panel.
2. Click Copy to Favorites

3. Click the heart icon next to your favorite tile(s)
4. Click Done at the top right corner of the panel

**** FAVORITES
TIP ****

5. Your favorite tiles will now appear under the Favorites section at the top right corner. This will help prevent scrolling through the page.

**Please let us know your thoughts on the
new dashboard by emailing us at
support@realcomp.com.**

Thank you.
